

# I Got With the Programs at AIDS Walk Los Angeles 2020!

July 20 - September 13, 2020

This totally fabulous certificate shows that I,

\_\_\_\_\_ ,  
helped raise almost \$1 million for APLA Health services in  
LA County during the first-ever all-digital AWLA.

“We couldn’t have reached our incredible milestones without you. We thank you, our city thanks you, and those affected by HIV & AIDS in LA County thank you.”
