This site is designed to help you keep track of Tasks, Donations, Thank You’s and Your Team (if applicable). We recommend spending time with your Toolbars and Checklists to familiarize yourself with the features.
Notice the different Toolbars.

The Toolbar to the left can be expanded from Icons to a more viewer-friendly list by clicking the arrow button at the bottom-left corner of the screen.
There is also a list feature in the top-right corner, there are three lines to the right of My Account. This toolbar appears on either side to help you navigate the site and its functions.
As you complete the tasks to ‘Set Up Your Campaign’, you will see Green Check Marks.

At the top, there is a checklist to keep track of what you need To-Do.
There is also a To Do Checklist at the bottom of your Home Page.

As you complete each of these Tasks, they will disappear from your site or change! Depending on what the task is and what needs to be done. This is a great tool to keep yourself on-track.

If you need contact information for your Last Year's AIDS Walk Donors, contact your AIDS Walk Liaison and ask them. We can send last year's contact information via excel sheet for you to import and ask for support this year.

The next icon down is the Follow-Ups Tool. This is another great way to keep track of Thanking Your Supporters and Keep Track of your Next Steps with them.
