

# **CELEBRATE 40 YEARS OF PROGRESS WITH US**

**AIDS WALK  
LOS ANGELES**

**SUNDAY, OCT 13, 10AM  
WEST HOLLYWOOD PARK**

As we mark the 40th anniversary of AIDS Walk Los Angeles — the world's first AIDS Walk — we invite you to make a big impact on the community. Join us in making this event a celebration of our achievements and a bold step toward a future free from HIV/AIDS.

By participating, you'll help maintain the momentum of four decades of groundbreaking progress, and empower APLA Health to continue delivering their vital services, including LGBTQ+ healthcare, HIV specialty care, housing, trans wellness services, the nation's largest food pantry for people with HIV, and so much more.

By backing our team, you reinforce our collective commitment to a future where no one faces HIV/AIDS alone and affirm our resolve to push forward with determination and hope.

Thanks to supporters like you, an end to HIV transmission is within reach. Let's continue this journey together — because we're not walking back!

It's easy to sign up! All you have to do is visit [AIDSWALK.LA](https://AIDSWALK.LA) to RSVP. Join our team at AIDS Walk LA 2024.
